

The Signature Group Recognized in CRN Tech Elite 250

CRN's Tech Elite List Credits VARs with Deep Technical Expertise and Premier Certifications in North America

Vienna, VA April 19, 2011

The Signature Group, Inc. (TSG) www.tsginc.biz, a leading provider of information technology consulting, implementation and managed services, is pleased to announce that it has been named one of the **CRN Tech Elite 250**. This list credits 250 of the nation's top integrators who have invested heavily in technical expertise and premier certifications in the areas of data center and infrastructure.

CRN Editors worked with solutions providers and outside experts to define the most important technical certifications in the market today. By mapping certifications against the key technology opportunities as defined by CRN's State of the Market, and Midmarket study; the Tech Elite 250 recognizes the VARs most committed in helping customers innovate while reducing costs.

"The Signature Group is proud to be named a member of this elite community of systems integrators. This is another example of our dedication to excellence, superior technical expertise, and our ever-evolving portfolio of service offerings," commented Michael C. Perdue, Chief Executive Officer at The Signature Group.

The certifications and partnerships that gained The Signature Group its position in the honor roll include:

- Microsoft Gold Partner
- Cisco Silver Partner
- Cisco Advanced Wireless Specialization
- Cisco Advanced Security
- Cisco Advanced Unified Communications
- Cisco Advanced Data Center Networking Infrastructure
- Cisco Advanced Routing and Switching
- Cisco Advanced Services Partner
- VMWare Professional Partner
- HP PartnerOne Preferred Partner

"Tech Elite solution providers are characterized by their unique solutions methodology, the highest-tier, multiple vendor certifications, and a heavy services and software IQ that spans the full IT spectrum from desktop to server to storage and security. All of it pays off in the ability to deliver best-in-class, high-business-impact results for clients. The Tech Elite superstars have invested in both the strategic services offerings and the product certifications to deliver a new era of technology solutions," said Steven Burke, Editor, Everything Channel.
